

FINANCIAL AID

The University wishes to support International students who experience financial hardship, and commits to examine each case, with its relevant documentation, individually.

SCHOLARSHIPS

Partial scholarships are also available and may be awarded based on academic merit and athletic achievements.

Based on Previous Academic Performance

International students, in their first year at the University, are eligible for a scholarship on the basis of the grades of their High School Leaving Certificate, based on the country in which this qualification was issued. Students who wish to transfer credits on the basis of their Bachelor's or Diploma, will have the scholarship considered in accordance with this qualification. Awards are given as a percentage reduction on the tuition.

- submit their High School Leaving Certificate and/or Bachelor's Degree upon application,
- pay the whole semester's tuition and fees in advance and
- be registered on a full time basis (minimum 12 credits/teaching hours per semester).

More information about this type of scholarship can be obtained from the Office of Admissions
